To: Leigh Estes <leigh4fl@proton.me>

Dear Ms. Estes,

Congratulations! You have been awarded the endorsement of the Democratic Veterans Caucus of Florida for your election to office. You will be receiving an official letter of endorsement and an endorsement flyer for your use as soon as possible, but please make use of our organization's logo for display as proof of endorsement at this time.

We are pleased to see so many candidates who take veteran issues seriously stepping up to serve in public office. It can only help the situation for veterans and military families in this country to have you as an elected official. Our best wishes that your campaign meets with great success and that our endorsement may serve you. Though no monetary award is included, we will encourage our members and others to donate to your campaign. We appreciate your commitment to Veterans and the people of Florida.

Thank you for your service, then and now,
Danny Fuqua
President, Democratic Veterans Caucus of Florida
Chair, DVCF Endorsement Committee
